

INVERTER COVERS

ABOUT

FC Inverter Covers are designed and manufactured in Australia by solar industry professionals with the sole purpose of protecting your solar inverter from the harsh Australian weather giving your inverter a longer life.

Custom designed for market leading inverters such as Fronius, Sungrow and Goodwe.

These covers have been approved for installation by these three inverter manufacturers.

Constructed from a single sheet of 2mm mill Aluminium, laser cut and folded to suit your inverter type with a powder coat finish to make them aesthetically pleasing.

FEATURES:
